eHelp End User Guide

Overview

eHelp is a third party help desk application used to submit, track and monitor all problem tickets. A help desk ticket should be submitted through eHelp for all AJERAS, ARA, ERS and OMS questions, issues and access request.

Note: AJERAS and ARA access has a higher level of scrutiny so the appropriate electronic form must be filled out, signed by all parties prior to submitting a help desk ticket.

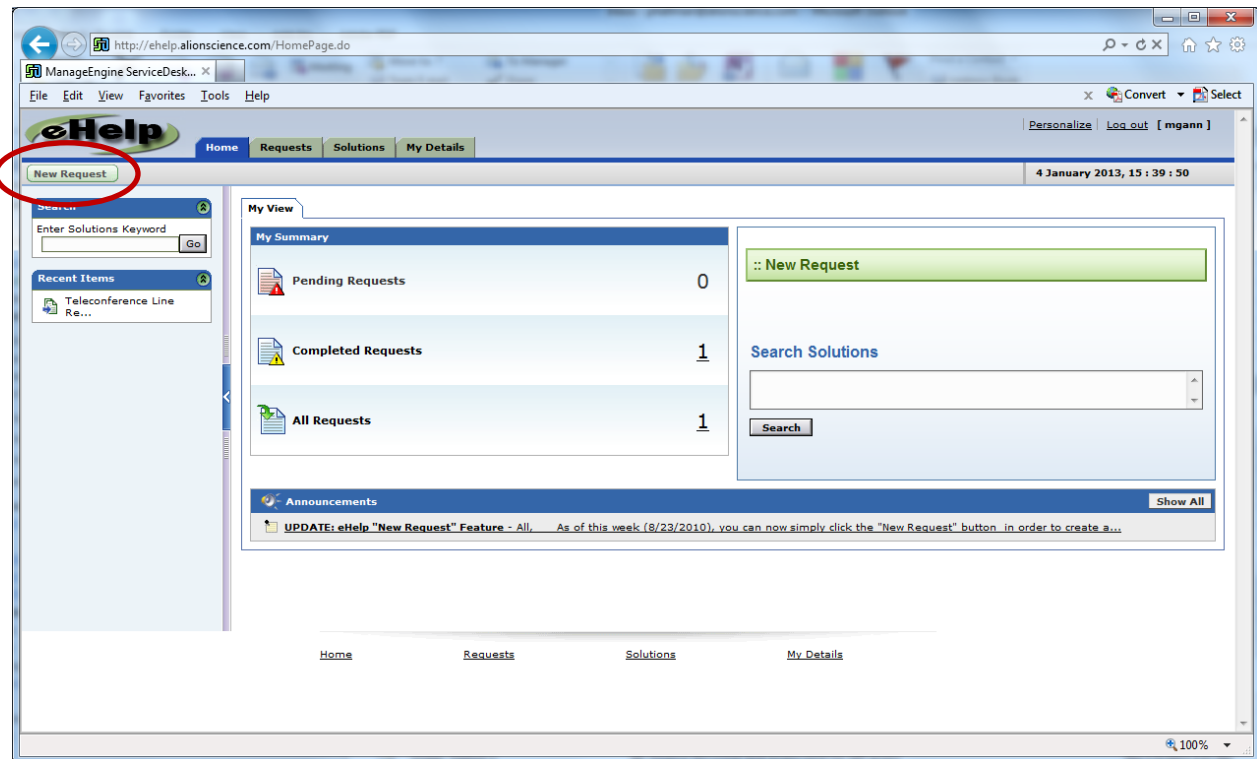

Logging In

The URL for eHelp is <http://ehelp.alionscience.com>. The first screen to appear will be the login screen which is displayed below. You are required to enter your Alion user id and password.

Entering a Request

Below is the default page which appears after a successful eHelp login. To create a new request, click on the “New Request” button at the top left under the eHelp logo.

Request Form

The new request form has four required fields which are denoted with a red asterisk:

- Name
- Category
- Sub Category
- Subject

The screenshot shows a web browser window with the URL <http://ehelp.alionscience.com/WorkOrder.do>. The page title is "ManageEngine ServiceDesk...". The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The eHelp logo is in the top left, and navigation tabs for Home, Requests, Solutions, and My Details are in the top center. A "New Request" button is in the top left of the main content area. The right side of the header shows "Personalize", "Log out [mgann]", and a timestamp "4 January 2013, 15 : 41 : 48".

The main content area is titled "Requests > New Request". It contains a "New Request" form with the following fields:

- Requester Details:**
 - Name ***: Gann, Melanie A
 - Contact number**: 703-259-5176
 - Department**: Corp Applications Eng Depart
 - Category ***: -- Select Category --
 - Sub Category ***: -- Select Sub Category --
 - Item**: -- Select Item --
 - Subject ***: (empty text box)
 - Description**: (large text area with a rich text editor toolbar)
- Attachments**: Attach file

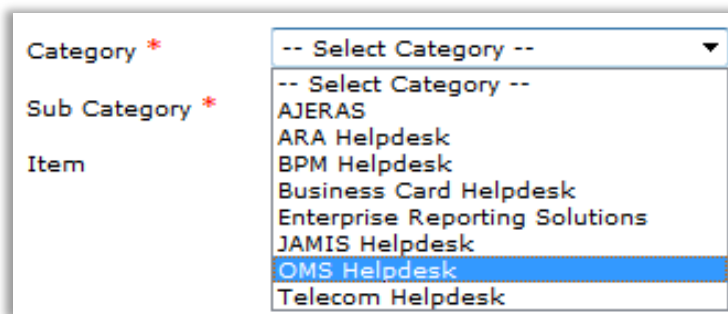

At the bottom of the form are three buttons: "Add request", "Reset", and "Cancel". The browser's status bar at the bottom shows "100%" zoom.

Name Field

The name field will default to the account used to access eHelp and the contact number will be auto-populated. Please change the phone number if this is not your primary number. Regardless, email is usually the primary form of communication.

Category Dropdown List

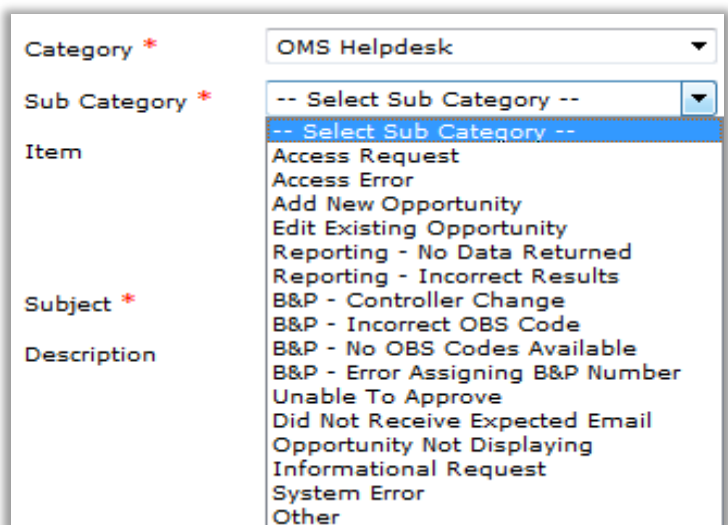

Please select the appropriate application from the Category drop down list.

A screenshot of a web form showing a dropdown menu for 'Category *'. The menu is open, displaying a list of options: '-- Select Category --', '-- Select Category --', AJERAS, ARA Helpdesk, BPM Helpdesk, Business Card Helpdesk, Enterprise Reporting Solutions, JAMIS Helpdesk, OMS Helpdesk (highlighted in blue), and Telecom Helpdesk. To the left of the dropdown, the labels 'Sub Category *' and 'Item' are visible.

Sub Category Dropdown List

Under Sub Category, select an option which best matches your needs. Sub categories vary by category selected.

A screenshot of a web form showing a dropdown menu for 'Sub Category *'. The menu is open, displaying a list of options: '-- Select Sub Category --', '-- Select Sub Category --', Access Request, Access Error, Add New Opportunity, Edit Existing Opportunity, Reporting - No Data Returned, Reporting - Incorrect Results, B&P - Controller Change, B&P - Incorrect OBS Code, B&P - No OBS Codes Available, B&P - Error Assigning B&P Number, Unable To Approve, Did Not Receive Expected Email, Opportunity Not Displaying, Informational Request, System Error, and Other. The 'Category *' dropdown above it is set to 'OMS Helpdesk'. To the left of the dropdown, the labels 'Item', 'Subject *', and 'Description' are visible.

Subject Field

Please enter a brief description in the Subject field.

Description Multiline Text Box

Please enter a detailed description of your request in this field. This is also the best place to enter any unique contact information, e.g. if you are only available at a .mil email address, etc. Unfortunately, you cannot paste screen shots into this text box. However, the application does allow attachments. We recommend you paste screenshots into a Word document then attach the word document to the ticket.

Submitting the request

Press “Add Request” to submit your request. An automated email acknowledging the request and containing the ticket number will be sent to the requestor’s Alion email account. The first available technician will respond to your request.
